MUSIC.

A place in thy memory, dearest 673
By the margin of fair Zurich's waters 512
Ellen of Lindale 608
It is the hour 448
Isle of Beauty, fare thee well 592
I think of thee 544
I 've sail'ed across the sea 816
My childhood's hours, farewell 769
Norah, the pride of Kildare 624
No tear was in her eye 480
O leave the gay, and be thy lot 578
Rich and rare were the gems she wore 632
Say, my heart, whence comes thine anguish? 560
She is thine, 752
She wore a wreath of roses 736
Softly the moonlight is shed o'er the lake 656
That thou art lovely who 'll deny? 784
The Gipsy's Serenade 404
The Land of Dreams 704
The light of other days 688
The Merry Castanet 700
They tell me thou 'rt the favor'd guest 520
True love can n'er forget 640
Whene'er I catch thy cherish'd smile 720
Where is my own blue sea? 496
